

To The Boundary Committee

18.12.6

I would like you to give consideration to the following in electoral areas, it is very important that communities are not divided i.e. Villages and Parishes as this causes major problems with representation, as I represent the Shannon Municipal District I have seen first hand the problems that this divide can cause, presently Newmarket on Fergus and previously Cratloe and Sixmilebridge were divided, I think it is important that the Shannon Municipal District should be kept in a block consisting of Newmarket on Fergus, Shannon, Bunratty, Cratloe, Meelick, Sixmilebridge, Kilmurry, and Kilkishen.

Regards

PJ Ryan MCC
