Dear Sir/Madam,

Please accept the following Submission for your consideration and forward me your Response at conclusion of Same:-

In relation to the Present Configuration of Electoral Areas in Clare I would urge an Increased Level of Funding and Administrative +Technical Support for this Model of Local Government in the County. In this context An Enhanced Role for the Council Engineering Depots as Contact Points Strategically Located within Each Municipal District can be Facilitated to Deliver More Services and Create a Closer Working Partnership with The Communities they Serve. The West Clare Municipal District would be a Beneficiary from Such Policy as it Endeavours to Provide A Satisfactory Level of Service over a Rural Area with varying Infrastructural and Demographic Needs. It would present an Opportunity to Deploy Resources to Best Effect and Add Status to the Council and it's Excellent Staff.

Thanking you.

Yours in the Service of the Community,

Christy Curtin M.C.C
