We refer to recent representations by our local TD Regina Doherty in respect of electoral boundaries for Ashbourne & Ratoath. We would like to reiterate our support for the proposal to repatriate Baltrasna to ASHBOURNE which is our nearest commercial centre, the town accessible to us by foot and where we attend weekly masses having reared our family in Ashbourne over the past 45 years.

If you require anything further please do not hesitate to revert to me.

Kind regards,

Sheila Grimes
