A Chara,

I have Put on Record that I firmly believe that Galway Co. Council And Galway Corporation should be come one Authority - which is Best for Galway City And County.

I Am A Member of Galway Co. Council since the 9th June 1979.

There are 8 Councillors in the Loughrea Electoral Area.

I think the Best thing to do is making this 2,5 seats - with Clavenbridge coming into the Loughrea Area - on this side I Represent And A Section of Ballinesloe to come into the other Area to make-up
