Dear Sir/Widow,

the following are some suggestions about Boundary revision and local Government in Co. Donegal:-;

① Re-establish urban councils in Letterkenny, Buncrana and Ballyshannon. Outside of Galway, Letterkenny is now the biggest town in Connaught/Ulster. The Tuishowen electoral area has the same population as Co. Louth.

② If urban councils formed reduce the number of councillors in Letterkenny from the present 34 to the more traditional 21-4.

③ Re-establish the Milford electoral area with 3/4 councillors.

④ Transfer Greeslough, Greencastle & Ards electoral divisions from Glenties to Milford. These areas are not in West Donegal or Ulster in Gaeltacht. Traditionally they were in the Milford electoral area.

Yours Sincerely,

Marion Mc Carthy.
