Dear Sir/ Madam.

I am chairman to Newtownmountkennedy & District Tidy Towns Association. I am a strong community link within the Newtownmountkennedy Area. I am writing to you as a concerned member of the community who time and time again, hear of living in a divided community where the Electoral Division of Newcastle Upper's boundary was changed a number of years ago with the effect of splitting the voting when it comes to county council elections.

I am looking to seek the reversal of the current boundary to where to was prior to the change some 12-15 years ago, from my recollection. The name of the area most effected is Kiladreenan which is segregated from the remainder of Newtownmountkennedy.

Kind Regards
Paul Kavanagh
