I wish to make a submission asking that the Killarney Municipal Area be left intact as it has been since June 2009 until now.

From 2009 to 2014 this area was serviced by 7 elected members however in 2014 the number of elected members was increased to 8 from June 2014 till now.

I note that the Boundary Committee Terms of Reference that no area can have more than 7 elected members. Hence I ask that this area be left together as it has been since June 2009 and to be serviced by 7 elected members.

Tim Coffey,
