

18.191

Dear Committee No.1.

I wish to make the following submission regarding the local electoral boundary for the 2019 local elections – Co.Sligo. – (Ballymote/Tubbercurry M.D.)

Area 1.

That the 8 seater Municipal District of Ballymote/Tubbercurry in Co. Sligo, be divided into 2 smaller 4 seater electoral areas due to its huge geographical size.

That the Tubbercurry new 4 seat area would consist of the parishes of Tubbercurry, Curry, Tourlestrane/Kilmactigue, Cloonacool, Mullinabreena, Ballinacarrow, Coolaney, including from Beltra to Enniscrone in the “OLD”

Dromore West area. This would provide representation for the 2 main towns of Tubbercurry in South Sligo and Enniscrone in West Sligo.

Area 2.

All other parishes/areas would be in the Ballymote, Gurteen ,Riverstown Collooney area which, as the other 4 seater would provide representation for these key towns, mainly Ballymote and Collooney.

This would represent a fair divide of the Ballymote/Tubbercurry Municipal area of Sligo Co.Council, and is in line with what the general public are saying to me at the moment.

Thank you for including this submission in your review of the local electoral areas for the 2019 local elections.

Kind regards,

Cllr. Jerry Lundy.

Tubbercurry,

Co. Sligo.

(for and on behalf of my Constituents)
