My name is CLLR. Michael mc Bride from Donegal county council. I am an independent county councillor based in Kilmacrennan, Co. Donegal a member of the Letterkenny municipal area. I am asking that Kilmacrennan, Termon, Gartan, Churchill, Glenswilly, Trentagh, Killyclug, Illistrin and Ballyare are retained in an area including Letterkenny urban as this is virtually the suburbs of Letterkenny town. We share the same primary road network, we share the same water supply and school catchment areas and I believe dividing them would be detrimental to our area. I believe this could be a 6 seater and the remainder of the old Milford area taken as a 4 seater with the possibility of including Dunfanaghy and Creeslough from the Glenties electoral area as it is geographically too big, this area can be serviced from the Milford council office.
