Dear Secretary,

Thank you for the opportunity to make a submission to the Local Electoral Boundary Committee,

I am a member of Offaly County Council and am elected to the Edenderry Municipal Electoral Area,

My points in relation to both Offaly and Edenderry Municipal areas are:

(1) there are 19 councillors elected to represent the entire county and broke up into 3 Electoral areas , Tullamore which has 7 Councillors and Edenderry and Birr who have 6 each .Taking in the size and population of the county I feel that 19 elected members is adequate to serve the people of County Offaly .

(2) that Edenderry Municipal area has 6 elected members and I feel for the area and its population that 6 members is adequate to serve the people of the district.
