To whom it may concern.

I Councillor Paudie Dineen an Independent member of Cork City Council would sincerely ask the committee members charged with the Cork City LEA to be considerate to independents in the decisions. Considerate by way of being fair, open and transparent so as to create a level playing pitch for all candidates during elections. I further ask that your decisions would be your own decision without any outside influences that may favour any party of group.

Regards,  
Cllr. Paudie Dineen  
(Independent)  
Cork City Council.
