Concerns over Ballisodare and Collooney

To Whom it May Concern

My name is Cllr Thomas Healy and I would like to make a Submission on possible Boundary changes. I hope that you will take my concerns on board

It's to do with the village of Ballisodare and Collooney and the need to make sure that these two areas stay together in the one District as some one who seen first hand in 2009 local election when half the town of Ballisodare was in the Dromorewest and the other half was in Ballymote area and the same for Collooney this was not fair on the different community groups who work so close together in the two villages .We were all glad to see in 2014 that both villages were put back together in their whole.

We hope that this will remain the same.

Can you please revert back to me

Regards

Cllr Thomas Healy
